REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Regarding to claims 1, 13, 25, 26, 30: The primary reasons for the indication of the allowability of the claims is the inclusions therein, in combination as currently claimed, of the limitation that an allotment rate of the mask pattern for the black image data used in a given one of the N recording scans is smaller than 100% and is greater than a reference allotment rate, the reference allotment rate being $(100/N)\%$, and an allotment rate of the mask pattern for the color image data used in that one recording scan is greater than 0% and is smaller than the reference allotment rate; and an allotment rate of the mask pattern for the black image data used in another recording scan is greater than 0% and is smaller than the reference allotment rate, and an allotment rate of the mask pattern for the color image data used in the latter recording scan is smaller than 100% and greater than the reference allotment rate is neither disclosed nor taught by the cited prior art of record, alone or in combination.

Claims 2, 6-12, 18-20, 22, and 27-29 are allowed because they depend directly/indirectly on claim 1, 13, or 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
